INTERN

## Contact information

Name	Nguyen Bui Minh Nhat
Birth	23/8/2002
Phone	+84 962472106
Email	nhat1234559@gmail.com
Github	<a href="https://github.com/javier1234559">https://github.com/javier1234559</a>
Address	TP. Ho Chi Minh
GPA	7.2

## Overview

I'm a third-year student at the University of Technology and Education in Ho Chi Minh City. My major focus is on computer science and software engineering, with a strong understanding of programming concepts and object-oriented programming. I am passionate about exploring new technologies and pursuing a career in software development.

## Work experience

06/2020– Present	<b>Studying at University of Technology and Education</b> While I do not have any formal work experience, I have gained practical knowledge and skills through personal projects and collaborations with peers.
------------------	--
